Subject: Extension Request Granted, Staker and Parson Companies, Beck Street Mine, M/035/019, Salt Lake County, Utah

Dear Mr. Dalley:

On April 22, 2005 we received your letter requesting another extension to June 28, 2005, in order for you to finish your stability study to incorporate it into your response to the Division's review of your Large Mining Plan. We apologize for not responding sooner.

Due to the wet spring we have experienced, the Division hereby grants your extension request. Please provide your response by June 28, 2005. We hope to have a complete response so we can finalize this permitting action that has been ongoing since April 2003.

Thank you for your continued cooperation.

Sincerely,

Susan M. White
